TGSW2017 CONFERENCE Reflection

2017.9.27 Tsukuba International Congress Center

T | G | S | W

No. 8-16 言語データを軸とした基礎研究、応用研究、産業界の連携

Industry-Academia Collaboration among Pure, Applied, and Commercialization Researches Based on Linguistic Data

September 27 (Wed), 2017 @International Congress Center (つくば国際会議場), Room201B

9:30-17:30

http://www.kokuren.tsukuba.ac.jp/TGSW2017/program/program_e.html

Keynote Speech 1

Sachio Hirokawa (Kyushu University)
How to Enjoy Text Mining

Keynote Speech 2

Hiroyuki Nishina (Professor Emeritus, Saitama University)
Toward a Kinematic Grammar

Special Talk

Jun Harashima (Cookpad Inc.)
言語データを軸とした産学連携

Invited Talk

Michael Stout（University of Tsukuba）

Learning English Reading and Writing Collaboratively through ICT

George MacLean, Mitsuyo Toya, & Ryuji Ishikawa (University of the Ryukyus)

Cloud Computing Applications for Modern Foreign Language Instruction:
Better Feedback Channels and Fostering Students' Employability Skills

Brendan Flanagan (Kyoto University)

Text Mining to Support Foreign Language Learning

Barry Kavanagh (Tohoku University)

Polite Intention through Emoticon Usage in a Cross-cultural Examination of
Japanese and American Online Discourse

English Listening Game by YouTube! －Automatic Quiz Generator for Foreign
Language Learning Using Online Streaming Videos－

Symposium

Future Collaboration Potentials among Linguistics, Engineering and Industry

Authors of Poster Presentation

1. **Neupane Pramila, CEGLOC, University of Tsukuba**

   Educational Aspirations and Ethnic Diversity: Evidence from Rural Nepal

2. **Samuel Nfor, CEGLOC, University of Tsukuba**

   Evaluating Educational Technologies: Interactive White Boards and Tablets in the EFL Classroom

3. **Kumari Nivedita, CEGLOC, University of Tsukuba**

   Shift in the Use of Politeness Strategies in Indian and Japanese Society

4. **Ayaka Morino, Master's Program in Education, University of Tsukuba**

   The Effect of Digital Storytelling on Japanese EFL Learners' Awareness of Speaking Anxiety and Learning Strategies toward CALL

5. **Takeshi Kato, Master's Program in Education, University of Tsukuba**

   Complexity and Fluency Indices in Assessing Japanese EFL Learners' Writing

6. **Akari Hirano, Master's Program in Education, University of Tsukuba**

   Issues on Conducting Collaborative Learning in the Classroom for Japanese Dyslexia Learners of English: A Preliminary Research

7. **Shiori Sunagawa, College of Humanities, University of Tsukuba**

   An Auditory Writing Support System for Japanese EFL Braille Users

8. **Yoji Igarashi, College of Humanities, University of Tsukuba**

   A Relevance-theoretic Analysis of English Jokes

9. **Kosuke Kuroda, College of Humanities, University of Tsukuba**

   On the Expressive Function of the Definite Article in English

10. **Shun Morimoto, Tokiwa University**

    The Acquisition of the Constructional Possibilities of 'Get' by Japanese Learners

11. **Souma Mori, Doctoral Program in Literature and Linguistics, University of Tsukuba**

    An Analysis on Canonical-Pattern Conditionals

12. **Masaki Yasuhara, Ibaraki University**

    Secondary Agent Constructions from the Perspective of the Motion Inherent to Manner-of-Action

13. **Shohei Nagata, Doctoral Program in Literature and Linguistics, University of Tsukuba**

    What Are the Similarity and the Difference between VP Ellipsis and VP Preposing?

14. Ryohei Naya, Doctoral Program in Literature and Linguistics, University of Tsukuba

The Apparent Category-Changing Function of Prefixes in English: A Preliminary Study of "Adjectivalizing" Prefixes

15. Tatsuhiro Okubo, Ibaraki Prefectural University of Health Sciences

Which Sounds Tastier, X and Y or X 'n' Y?

16. Haruki Isono, Doctoral Program in Literature and Linguistics, University of Tsukuba

On the Opaqueness of English Complex Verbs

17. Yukihiro Kanda & Masatoshi Honda, Doctoral Program in Literature and Linguistics, University of Tsukuba

Pseudo-Raising and its Implications for Linguistic Theory: A Preliminary Study

18. Takashi Ishida & Shotaro Namiki, Doctoral Program in Literature and Linguistics, University of Tsukuba

A Cognitive-Pragmatic Study on Modal Adverbs

19. Takashi Ishida, Doctoral Program in Literature and Linguistics, University of Tsukuba

The Textual Chromaticity in D. H. Lawrence's Poems

20. Akihiko Sakamoto, Tokiwa University

Rhetorical Question Formation in Japanese and English

21. Hiroko Wakamatsu, Doctoral Program in Literature and Linguistics, University of Tsukuba

Compound Nouns and Linking Elements in Polish

22. Kazuyoshi Ishikawa & Hiroko Wakamatsu, Doctoral Program in Literature and Linguistics, University of Tsukuba

A Review Study on Instrument Subjects

23. Masatoshi Honda, Doctoral Program in Literature and Linguistics, University of Tsukuba

Emphatic Information Focus in the Clausal and Nominal Domains: A Case Study of Polarity Focus

24. Masaharu Shimada & Akiko Nagano, University of Tsukuba & Tohoku University

A Statistical and Theoretical Study on Recipe Names

Group Shot (TGSW2017)
