Dear Readers,

The papers:

- [1] Hirokazu Nishimura, Differential Geometry of Microlinear Frölicher Spaces I, *International Journal of Pure and Applied Mathematics*, **64**, No. 1 (2010), 43-83

and

- [2] Hirokazu Nishimura, Differential Geometry of Microlinear Frölicher Spaces II, *International Journal of Pure and Applied Mathematics*, **64**, No. 1 (2010), 85-102

contain incorrect fields **AMS Subject Classification** and **Key Words**. We are deeply sorry for these missprints!

The correct fiels, provided by the author are:

© 2010 Academic Publications

For paper [1]:

AMS Subject Classification: Frölicher space, microlinearity, general Jacobi identity, vector field, synthetic differential geometry, Weil functor

Key Words: 58A40, 58A03

For paper [2]:

AMS Subject Classification: Frölicher space, microlinearity, differential form, Stokes theorem, synthetic differential geometry Weil functor

Key Words: 58A40, 58A03, 58A10

Yours sincerely,
