I am very pleased to have the opportunity to present you with Volume 34 of the academic journal for our master's program entitled "*AREA STUDIES Tsukuba*". I would like to extend my sincere appreciation for the kind support from the reviewers, faculty members, and people who have been cooperating in making our program successful over this past year. We believe that the scope of papers presented in this volume, which is arranged by research area, will make strong contributions to academic research and education.
