### 第三回 FD 研修会：「英語基礎」教授法を中心に

23 July, 2015

9-11am, CA412

The Third Faculty Development Workshop: Exchanging teaching methods for Principles of English

The third workshop in this new programme for faculty development workshops in the English Section featured teaching methods for the first year course, 「英語基礎」. The first two workshops in the series featured the other two courses for 1<sup>st</sup> year students: 「異文化と英語」 and 「総合英語」. Presenters were given a 30-minute time slot. The general pattern has been to take 20 minutes for the presentation and allow ten minutes for questions and answers. The three presenters covered widely divergent topics and much discussion ensued regarding issues of course content, course management, and other issues in learning development.

List of presenters:

- 1) 山村 崇斗: 「英語基礎の目指す考える力について」
- 2) Jeroen Bode: 'English language education: The impact of class size on student learning'
- 3) Michael Tasseron: 'Student-made films in the language classroom'

## 第四回 FD 研修会： I.OSD II. ACADEMIC WRITING 教授法を中心に

19 January, 2016

9:30-11:30am CA304

The Fourth Faculty Development Workshop: Exchanging teaching methods for I. OSD, II. Academic Writing

The fourth workshop in this new programme for faculty development workshops in the English Section featured two sections: I. Faculty training for how to help students with difficulties, and II. Teaching methods for the second year course, Academic Writing. The first section was an extension of work done by the English Section's *Working Group for Students with Disabilities* to produce a one-page guide for instructors. The training explained the context of the guide and gave recommendations in best practices for actively addressing classroom accessibility issues. The second part of the workshop shifted to teaching methods for the second year elective course, Academic Writing.

List of presenters:

- 1) I. 野田恵美子: 「問題を抱える学生とどう向き合うか—OSD パンフ発刊に当たり—」 I. Noda Emiko: 'How to help students with difficulties in the classroom'
- 2) II. Pramila Neupane: 'Academic writing: Classroom experiences'
- 3) II. Michael Stout: 'Using the learning management systems Manaba and Coursebase to teach academic writing: Pros and Cons'

From left clockwise, E. Noda, P. Neupane, M. Stout.
