UNIVERSITY OF TSUKUBA

Doctoral Program in Geoenvironmental Sciences

Graduate School of Life and Environmental Sciences

Editorial Committee

Chief Editor

Tsutsumi, J., Professor in Regional Geography

Associate Editors

Hattanji, T., Associate Professor in Geomorphology

Yamashita, A., Assistant Professor in Regional Geography

Akiyama, C., Assistant Professor in Human Geography

Editorial Board

Matsui, K., Professor in Human Geography

Matsuoka, N., Professor in Geomorphology

Sugita, M., Professor in Hydrological Science

Ueno, K., Associate Professor in Atmospheric Science

Kusaka, H., Professor in Spatial Information Science
