

## Acknowledgements

I would like to thank Professor Mototsugu Chiba of Tsurumi University, Professor Tamio Hirabayashi of University Tsukuba and Professor Harold C. Slavkin of University of Southern California for their generous supports, great encouragement and many fruitful suggestions given throughout the course of this research work. I am grateful to my colleagues of Tsurumi University School of Dental Medicine for their kind supports and advice.

Finally, I would like to express my special thanks to my mother who supports me during whole life.
